

In the Drawings:

Applicants are submitting formal drawings that include the changes made to the proposed corrections for original FIGS. 1(a)-(c) and 18 submitted on August 11, 2003. Applicants are also submitting formal drawings that include proposed changes to FIG. 17(a) to show the various motions of the table. Marked-up versions of the amended drawings are also included where the proposed changes are made in red ink. Accordingly, please indicate whether the corrections are acceptable in the next Office Action.
